

REQUEST TO PERFORM MUSIC

In order to use music of any kind, whether live or mechanically-produced, you must complete this form and return it to us in advance of the Show so that we may respond to your request accordingly.

I am aware that the U.S. Copyright Laws grant exclusive rights to copyright owners for the performance of music, including the performance of music at trade shows even where I am directly promoting the sales of such music. As I plan to utilize music in my booth at the Show, I request your approval for the following reason(s):

CHECK EACH THAT APPLIES

- Music to be played is within the repertoires of ASCAP, BMI and SESAC, **and I attach a copy of my agreement with each applicable performing rights organization.**
- I have obtained the rights to perform music at the Show directly from the copyright owner(s), **and I attach a copy/copies of such performance agreement(s).** I understand that performance rights are distinct and are not included under grants or rights to reproduce and/or distribute the music.
- I am the copyright owner of music to be played.

I represent that each of the checked statements above is accurate and covers all music that I will utilize in my exhibit. Based on these representations and in accordance with the Terms and Conditions of the Exhibit Contract, I hereby request permission to perform music at the Show.
